

BioDIP Extraordinary Seminar

Erin Tranfield

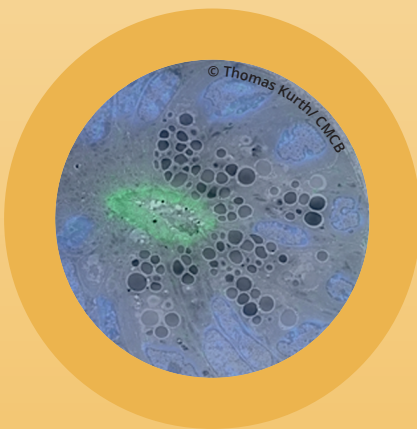

Instituto Gulbenkian de Ciência, Portugal

Correlative Light and Electron Microscopy: stories of success and a few misplaced efforts

Date: August 30, 2019

Time: 11 am

Location: MPI-CBG, small auditorium

Erin Tranfield obtained her PhD at the University of British Columbia, Canada. In 2013 she joined the Instituto Gulbenkian de Ciência, Portugal to first build and then run the Electron Microscopy Facility. Erin has more than 15 years experience with electron microscopy, particularly high pressure freezing and automatic freeze substitution, electron tomography and three-dimensional data acquisition.
